**Our Purposes are:**

- a. to provide a forum for constructive and respectful discussions of any issue as may, on an individual basis, warrant the attention of the community of Raymond Island
- b. to represent the views of the members of the association on matters concerning:
  - Access, land use and amenities
  - Environment and conversation issues
  - Social issues
- c. to effectively liaise with individuals, other groups, governments, government bodies, emergency and welfare services to advance the purposes of RICA
- d. to improve and protect the native flora and fauna of the island and
- e. to act as committee of management for the Raymond Island community hall.

I have read and agree with the purposes of RICA
